About Eternity Media Productions

Eternity Media Productions Ltd. (EMP) produces a TV Program titled The Incredible Journey, which is aired globally. EMP is an independent, not-for-profit Christian organisation supportive of the Seventh-Day Adventist Church. We are passionate about our bold vision to share the Good News of Jesus Christ to the world, preparing all people for His soon coming. We are devoted to giving Biblical answers to some of life's big questions, through television, internet, radio, social media, and an interactive Bible learning centre. In addition, we share resources for free to all who contact us on topics that build faith and how to live an abundant life, through Jesus today.

Job description

We are looking for a talented video editor to assemble recorded footage into a finished project that is suitable for broadcasting and matches the vision of the Director. Ultimately, as a documentary and video editor, you should be able to bring sight and sound together in order to tell a cohesive story that glorifies God.

ROLE AND RESPONSIBILITIES

1. Responsible for the editing of up to 45 high-quality documentaries per year.
2. Create rough cuts collaboration with a cinematographer
3. Trim footage segments and put together the sequence of the documentary
4. Input music, dialogues, graphics, animations and effects
5. Search and input b-roll
6. Obtain permissions for b-roll
7. Ensure logical sequencing and smooth running
8. Consult with stakeholders from production to post-production process to prepare the final outputs
9. Being able to collaborate with the CEO in developing an artistic vision for a television program and then producing it
10. To edit short videos for ads, trailers and/or other promo content social media
11. Able to work within a small budget allocated for b-roll, while still meeting quality and creative goals.
12. To continuously discover and implement new editing processes and technology and to maximize efficiency and share the story line in a compelling way.
13. Other duties as assigned by the Speaker/Director and Manager.

Requirements:

- A demonstratable commitment to the message, mission, and lifestyle of the Seventh-Day Adventist Church.
- Demonstrated experience in Video Editing with a solid portfolio.
- Experience with digital technology and editing software packages (e.g. Lightworks, Premiere, After Effects, Final Cut, Avid, Illustrator and Photoshop).
- Thorough knowledge of timing, motivation and continuity
- Familiarity with special effects, 3D, animation and compositing
- Degree in film studies, cinematography, creative media or related field is desirable. Relevant years of experience maybe considered in leu of qualifications.
- Being able to collaborate with the Speaker/Director in developing an artistic vision for a television program or film and then producing it.
- Attention to detail and consistent follow-through are a must.
- Demonstrated ability to thrive in a fast-paced, fluid and creative environment.
- Self-starter who is able to troubleshoot and work independently.
- Being able to operate cameras, drones, lighting, sound equipment and other filming equipment is desirable, but not a must.
