

Home, the place which should be the most inviting and the safest upon earth, is for many one of the most dangerous. Domestic violence is tearing apart the lives of individuals, families, and communities. In this booklet, international speaker and relationship specialist Keala Thompson shares his insights on how to respond to this alarming threat within the heart of our society.

Keala Thompson is an international speaker on relationships, love and marriage. He is the founder of Healing Rain, a 10-day school on emotional healing located in Hawaii, USA, and in Queensland, Australia. He has a passion for helping others find physical, emotional and spiritual healing that he has received himself.
