## THE ZEALOTS' FORTRESS

## An Exciting Milestone in our Right Around Australia journey – [tij.tv/raa](http://tij.tv/raa)

### **We have exciting news regarding the restoration of our replica 1923 Citroën 5CV!**

The Incredible Journey attended the Elmore Events Centre on Easter Weekend, where we unveiled the completely refurbished and fully operational Bubsie replica!

Our Bubsie is now ready to travel to nearly 250 churches right around Australia in 2025. This journey will re-enact the story of a young Adventist missionary who circumnavigated this continent in his 5hp 2-seat cabriolet.

Andy Green holds the world speed record for a car on land, clocking 1,228 kph, the first vehicle to break the sound barrier. The fastest drive around Australia on record to date is five days, 18 hours, 13 minutes, and 13 seconds. But there is still one record that will never ever be broken, and that record is held by a young Seventh-day Adventist, 22-year-old Nevill Westwood, who became the first person to drive a car right around Australia in 1925.

Nevill Westwood met Jesus Christ, which motivated him to share the Good News of Jesus with the people of Australia. The journey took him five months as he shared the gospel among the various communities he encountered along the way. The Incredible Journey will partner with various local churches throughout Australia to re-enact and celebrate the 100-year anniversary of this exciting adventure.

Our 100-year-old Bubsie is an identical car to the one Nevill Westwood drove. You may have seen pictures of this little car in yellow, but because we wanted it to be identical to the original, the restoration team, Warren May, Colin Gibbs and Graham Tyler, did their research, and they discovered that the car Nevill drove was a deep red colour, Bordeaux red, not yellow! So these men have invested over 1,000 hours together restoring our vehicle to be exact in all details, even the colour!

There's a way you can be involved in what could be one of the largest, broadest, and longest evangelistic endeavours ever conducted in this country. As Bubsie travels around Australia, it will stop and share the Good News with the people in the communities it passes through. You can also be involved in the following ways:

• You can pray for the safety and success of our trip. We believe God helped Nevill and his car make it around Australia back then, and He will help us today. Please remember this evangelistic endeavour and the people we will connect with in your prayers.

• You and your church could be involved.

For towns on the route plan published at [tij.tv/raa-route-plan](https://tij.tv/raa-route-plan), your church could run a program to connect with the local community on the date of the RAA visit. Programs could include public evangelism, community picnics, healthy cooking demonstrations, vintage car rallies, or a family fun day. Invite your community to attend, and connect them with your church family. At the very least, you should plan to attend the events in your community! Keep an eye on [tij.tv/raa](https://tij.tv/raa) for event updates.

• You can sponsor the trip. Our 2025 route will be approximately 55,000 kms, significantly more than the original route! You can help us in this work of evangelism by sponsoring Bubsie at \$20 per km.

## THE ZEALOTS' FORTRESS

Judea was ruled by Rome two thousand years ago, and in AD 66, a Jewish revolt flared into a full-scale war that raged for four years – until the Roman general Titus destroyed Jerusalem. But one outpost alone held out against the Romans. It was the fortress of Masada built high above the Dead Sea on top of a barren mountainous plateau, and this is where one of the most heroic and incredible stories of all history was played out when a small group of Jewish Zealots defied the power of Rome.

Like many of our historical/archeological programs, this program was also well received on YouTube, being viewed 18,135 times in the first four days, And to date, it has been viewed 87,722 times.

We recently aired a new program called "The Bible - The Greatest Book Ever Written" and offered the Bible as a free gift. We also sent the booklet 'Finding Treasure - A Beginner's Guide' to those who have previously received the Bible from us.

Do you view our programs on YouTube? It would really help us if you could visit our channel and help to increase our number of views. While you are there, please like, comment, subscribe and share!
