Message from Gary Kent

Greetings from The Rabbit Trap Hotel in Outback Australia.

It boasts the biggest rabbit trap in all the world – a massive construction perched on top of the hotel roof. It's located in Albert, a town with a population of just 11 people. But what it lacks in numbers, it makes up for in hospitality. Everybody out here is friendly and has a great sense of humour.

This isolated town is our base for filming a new series of programs that feature people and places in the Outback. These programs are based on inspiring stories that share the Gospel and lead people to Jesus and eternal life. Like many of our programs, this series is made in Australia, for Australians, by Australians. But it's not just for Australians. These programs are designed to reach people all over the world. Our programs are now being shown throughout the English-speaking world and are also being translated into German and Spanish.

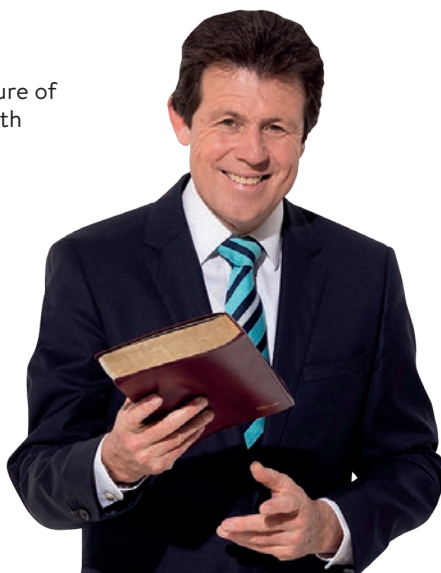

This Outback series is just one of several new series that we're producing this year. Some of the others include: 14-part Daniel series; 9-part Health series; 5-part Joseph series; 10-part Moses series; 9-part 'What is Sin?' series. Each and every one of these programs is packed full of Bible truth. They warm the heart and feed the soul. Australians are searching for answers about what's happening in our world today. They're looking for hope, and many are hungry for Bible truth. This creates a unique opportunity for us.

Many generous people just like you have contributed financially so that THE INCREDIBLE JOURNEY is able to share stories of faith, hope and love with people right across the country for free. And YOU can be a part of this too.

I want to invite YOU to consider making a gift to THE INCREDIBLE JOURNEY and investing in the future of media evangelism in Australia and beyond. Partner with us in bringing the Gospel and Bible Truth into every Australian home and to the world through television and our online platforms.

Your support for THE INCREDIBLE JOURNEY today will help:

- Produce a new tv series on the Bible book of Daniel
- Provide Conflict of the Ages books free for viewers
- Produce a new tv series of Health programs
- Produce a new tv series on leading Bible characters: Joseph and Moses

- Produce a new tv series 'What is Sin?'
- Conduct Public Evangelism Programs
- Purchase Prime Time television time slots for our programs

So, thanks for your generosity today. Together we can make a difference for eternity. I know we can, firstly because God has promised it will happen when we share the Gospel and secondly because we see the evidence regularly on the road when we are travelling and in the contacts with our office.

Recently I met with a lady who had experienced an accident and while recuperating at home she had begun to watch The Incredible Journey program on television. She responded to the program offer, contacted TIJ office and requested the booklets and Bible studies. Her life was changed, and I was delighted to meet her on her new journey of faith and belief in God.

And then there was one of those phone calls that warms your heart. A friend was telling me that someone new had walked into their church and was interested in finding out more about God and the Bible prophecies. He arranged to visit the lady in her home to study the Bible together. When he entered the lounge/dining room, there on the table were some of The Incredible Journey booklets and Bible studies. This lady had been watching The Incredible Journey programs and is now attending church and preparing to be baptised.

Blessings and best wishes,
Gary

Attention Grey Nomads

We are currently developing an outreach flyer to help share the good news of Jesus' soon return with those in Australia's small towns and outback communities. How you can help is to take some flyers on your trips and distribute them in letterboxes, libraries, and community centres around Australia.

If you're willing to help, please contact The Incredible Journey office on 0481 315 101 or info@tij.tv, and we'll add your contact details to the list for when these flyers are available. We appreciate your support in reaching our outback communities.

In 1979 Israeli, Gabriel Barkay, made one of the most exciting and amazing discoveries in modern times, involving a hoard of treasure, including two silver scrolls carrying an ancient inscription that surprised the world. In this program, we unravel the mystery of the silver scrolls and consider the special message they have for us today.

Join Gary as we learn more about these deadly creatures and discover what is the unexpected and most dangerous encounter of all.

• **Overcoming Addictions:** Addiction is an intense craving for something you know is terrible for you, but you can't stop. We long for that state of euphoria and pleasure, so we keep coming back for more. • **Bear - The Hero Dog:** The Australian bushfire season of 2019/2020 was one of the worst in living memory. In an effort to rescue vulnerable animals, there wasn't just human assistance that made a difference, there was also a four-legged helper.

“

Catherine* – Thank you so much for your prompt response and for sending me the book. I'm very thankful to receive such solid teaching where subject matters are put into context and perspective. Sooo good!!! I feel as though I have been parched and am now receiving much-needed Water. I especially like the historical information that Pr. Kent gives, not to mention the amazing stories!! Pr. Kent's methodical, detailed delivery is what I wished my history teachers had at school... eons ago! So, have a rich, blessed day in the mighty Name of our Lord Jesus Christ of Nazareth. May He watch over you and anoint all that you do in His Name.
