Message from Gary Kent

The last weekend in May this year was a highlight for The Incredible Journey ministry, partners and staff. After a break of three years, we were able to meet again with our wider Incredible Journey family for a special time of worship, fellowship and praise. It was wonderful to see familiar faces, renew old friendships, and spend time together again.

The Partnership event was a reminder that The Incredible Journey is a frontline media evangelism ministry. We have the most important message to share - Jesus is coming very soon. It's time to get ready to go home. It's time to all work together to share God's final message.

What is Partnership?

Partnership is one of the most important events in The Incredible Journey calendar.

It's a special occasion when the partners of the ministry join together for an unforgettable celebration with warm fellowship, inspiring preaching and uplifting music.

The weekend includes five catered vegetarian meals, a comfortable hotel room and exciting stories of what God is doing through The Incredible Journey. We review what God has done in the past twelve months and share the plans for the coming

year. If you have an opportunity to attend a Partnership weekend, it will be one of the best decisions you can make.

What is a Partner?

The Incredible Journey is a faith-based ministry. Partners are a vital group of committed individuals who, through their efforts, prayers and financial support, uphold and fund The Incredible Journey ministry.

What is the biblical meaning of partnership?

This word 'partnership' is a well-known Greek word, *koinonia*, often translated 'fellowship', a sharing in something, participating in something divine and eternal, something greater than we could ever be or do on our own. It means being caught up into a belonging or partnership which God has created and sustains.

Partners have an opportunity like never before. God is calling us as a ministry to stretch ourselves to reach the millions seeking for hope in a world filled with chaos, violence, pain and death.

How to become a partner?

Each year, partners support the ministry and vision of The Incredible Journey.

They make a commitment **of at least \$170 per month or \$2000 per year**. Their continued faithful support is vital to accomplishing the plans and opportunities God has laid before us.

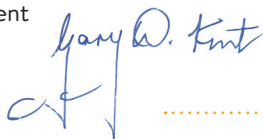

Billions of people in the world need to hear God's message for these final days. Partnering with us helps to share God's final message.

You can help reach people by partnering with us to produce creative media outreach. Your contribution can help introduce someone to Jesus Christ and change their life. Like Kerrin, who found The Incredible Journey programs on television and started watching them on Sunday mornings at 8:30am on 9GEM. She contacted the office and requested the offer booklet, then enrolled in the full message Bible Study course. She located the local SDA church and was baptised last year.

We would like to invite you to partner with us to share this message of hope and work with God to fulfill The Great Commission.

If you would like to join us and become an Incredible Journey Partner please contact the office on 0481 315 101, info@tij.tv or visit our website, tij.tv for more details.

I will continue to pray for you Gary, to be used and blessed by our Lord to continue to spread His Word. Thank you and your team for all the work you put into these wonderful productions.

Filming in Morocco

We all love stories, and here at The Incredible Journey, we use stories to share the Gospel. The most important stories are the Bible stories. But to help us do this well, we need the right setting. Atlas Film Studios in Morocco offers the most affordable access to authentic settings and locations for Bible stories. So we travelled there to film a series of re-enactments from Biblical stories to illustrate our programs.
