MOSES

A HERO FOR OUR TIME

Message from Gary

Our Partnership weekend on the Gold Coast at the end of May has been one of the highlights on The Incredible Journey calendar this year. It was an unforgettable time of warm fellowship, inspiring sermons, uplifting music and delicious meals.

This weekend was a wonderful time for us to review and give thanks for the Lord's blessings and leading over the past twelve months, and to outline and discuss bold plans to proclaim the everlasting gospel for the year ahead.

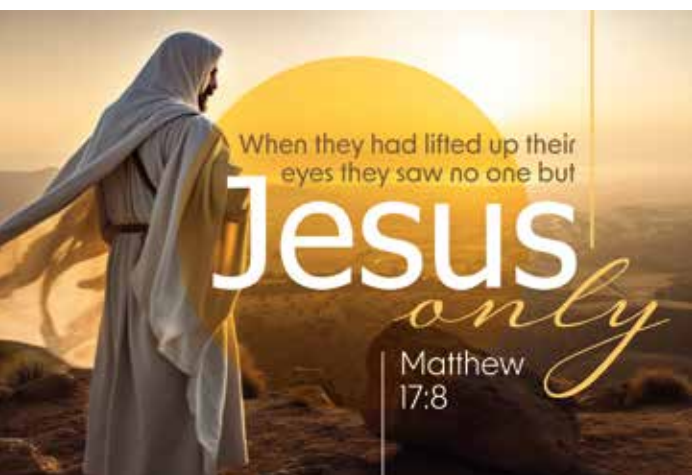

It was encouraging to meet with fellow believers who embrace our vision and passion to share the good news of Jesus with people who are searching for Bible truth, peace of mind, and assurance.

Our partners are an integral part of The Incredible Journey media evangelism ministry and play a vital role in ensuring the growth and success of the ministry.

It was heartwarming to hear the testimonies of people attending for the first time who were introduced to God's remnant church through the ministry of The Incredible Journey.

Chris Rantall shared his amazing story of surviving a 3km fall from an aeroplane during a skydiving accident. Our television programs played a major role in leading him to Jesus and Bible truth.

Jean Turnbull watched The Incredible Journey television programs, wrote in for the free offers, then completed the Bible studies. Jean is now a baptised member of one of our churches in Brisbane.

These and other inspiring stories reminded us of the importance of following Christ's great commission to proclaim His message to the world.

Julian Archer emphasised the priceless value of one person won to God's kingdom. Dr Sue Radd shared with us vital new information regarding our health and well-being. Pr John Carter inspired us with reports of how evangelism and media ministries are leading many to Jesus and eternal life.

Sandra Entermann and her talented team lifted us heavenward through their beautiful Christian music.

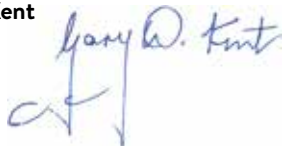

Partnership is always a family event that includes special programs for the children. To top it all off, our hosts provided delicious and bountiful vegetarian meals for all to enjoy.

Our Partnership weekend was a reminder that there is no task more important than sharing the gospel and leading people to Jesus, as we focussed on the theme, 'Jesus Only'. *"When they had lifted up their eyes, they saw no one but Jesus only"* (Matt 17:8).

It was inspiring to realise that, together and with the Lord's blessings we are making a difference for eternity.

Partnership is an event not to be missed!

– Gary Kent

Reflections on TIJ's Partnership Weekend

Victor Pires (Former General Manager and Treasurer for *It Is Written* & *Voice of Prophecy*)

When I received the invitation to participate as Master of Ceremonies at this year's Partnership Weekend at the Gold Coast, both Danielle (my wife) and I were so happy and excited to be part of a weekend driven by mission dedicated towards hastening Christ's imminent return.

The Partnership weekend was truly an unforgettable celebration of worship, fellowship, discipleship and ministry. God was present. We felt the Holy Spirit in our midst. And we sensed that we were on an incredible journey with our Saviour and Lord, Jesus Christ.

Throughout the weekend we had opportunities to reflect on Jesus and to be with Jesus.

- The morning group prayer, led by Pr Kevin and Glenda Amos, brought us to the feet of Jesus and gave us the opportunity to thank Jesus for His love and mercy, for His grace, for the plan of salvation and for each other. Together we were strengthened and encouraged by the Spirit.
- The inspired preaching of the Word of God by Pr Gary, Julian Archer and other devotional speakers helped us understand and reflect that Jesus matters. He is all we need in our lives and in our hearts. It is our duty, our destiny, to yield loving obedience to our Maker. We were created to become like Christ, we are called to be His disciples.

- The call to action by Pr Gary and Pr John Carter reminded us that we are shaped daily to serve God. The Apostle Paul tells us in Ephesians 2:10 that “we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.” The projects that God has inspired The Incredible Journey team to organise and establish are exciting and provide an incredible opportunity for all of us to participate in and be part of.
- The Christ-centered worship music throughout the weekend, and the concert on Saturday evening, by Sandra Entermann and her music team, took us to the Throne of Grace and inspired us to be like Jesus.
- Dr Sue Radd’s enlightening presentations encouraged us to be health conscious and look after our bodies, which are the temple of the Holy Spirit, by eating healthful foods. Our daily walk with Jesus matters.

But we also saw Jesus in the smiles, the friendship and the love expressed by all our partners throughout the Partnership weekend. We were a family united in Christ with a sense of purpose in the mission, the projects (notable Right Around Australia with the guest of honour, Bubsie in attendance) and the assignments God provided for His ministry. We could sense during the weekend that we were part of a dynamic call to mission, blessed by God and led by the Holy Spirit.

I am so glad that God gave me the opportunity to attend TIJ’s Partnership weekend. This was an abundant blessing. TIJ is God’s ministry and I sense that God will continue to use it and grow it to fulfil His mission. I know that the Partners are inspired and committed to see TIJ grow and serve God. Our Partners are the best ambassadors to effect ministry growth and fulfilment of God’s mission.

The joy, the unity, the sense of purpose, mission and commitment we experienced during the weekend, reminded me of the enthusiasm the commitment and the growth in partners and fulfilment that It Is Written International experienced during the years 1998-2002 when It Is Written doubled in size.

I truly believe that God has brought together and commissioned a great team in Gary and Robyn Kent, the TIJ Partners, staff and volunteers, to help take the good news of the Gospel to the South Pacific and to all other nations and peoples in order to unite the world in Christ.

Let’s thank the Lord for providing us with the opportunity to serve Him through His ministry, TIJ and be part of His mission. We also invite your prayer support for:

- God’s blessings and guidance in ministry.
- Our partners, and an increase in the number of Partners.
- Pr Gary, and the TIJ team.

In 1939, Franz Hasel received a draft summons to report to the recruitment office in Frankfurt. As a pacifist, he was assigned to Pioneer Company 699, which built roads and fortifications. Despite wearing the uniform, Hasel opposed the Nazi agenda. He risked his life to warn villagers about approaching SS death squads and told his sergeant during the advance into Russia that Hitler would not win the war. Journey with a man who defied his society, culture, and army because he believed in a higher law.

In the first four days, the Franz Hasel program garnered a total of 74,853 views on YouTube, marking the highest number of views we have ever received for one of our programs during the first weekend. Typically, we get around 2,000 to 3,000 views in the initial few days, with growth occurring over time. However, Franz Hasel attracted significant interest right from the start.

Within the first 10 days, the program reached 100,000 views, and after 24 days, it hit 164,595 views. To date, this program has been viewed 191,260 times since its release and has resulted in 1,979 new subscribers.

Daily Prayer Points

The Incredible Journey needs your prayer support. God has called us to this work, and we know that the enemy would like to thwart our efforts in sharing the love of Jesus with our communities near and far. The TIJ team pray together at the start of every workday and would like to **invite you into a prayer relationship with us** also.

We pray that these ‘Daily TIJ Prayer Points’ provide you with direction as you bring us to our God in prayer each day.

Gary visits in New Zealand

In June, Gary Kent delivered powerful Bible teachings in the New Zealand cities of Hamilton and Palmerston North.

In Hamilton, the church hall was packed as Gary presented eight presentations over the week on topics such as Amazing Prophecies and Predictions, Is Jesus Real?, Who will Control the World? and The Mystery Man of Bible Prophecy. Gary then moved to Palmerston North, where he shared three presentations over the weekend. Gary revealed just how amazingly accurate and reliable the Bible is when it comes to foretelling future events.

Gary will visit New Zealand again in September, where he will be presenting in Invercargill along with Pr Gordon Gosset.
