THE INCREDIBLE JOURNEY PRESENTS

# DINOSAURS

AND THE BIBLE

## Right Around Australia

It has been a busy year for The Incredible Journey as we travelled to various public gatherings promoting Right Around Australia with our showpiece, the restored 101-year old Citroen 5CV. Everywhere we shared the story of Nevill Westwood, the first person to circumnavigate Australia by vehicle, who did so in 1925 in his trusted Bubsie. And then we shared our plans for next year, 2025, the 100-year anniversary of this event. The Incredible Journey will celebrate his achievement by taking our restored and renovated Bubsie 'Right Around Australia' (RAA).

It has been a delight to share this incredible story with interested people. Nevill and his initial travel companion, Greg Davies, were motivated to embark on their adventure by a desire to evangelise the remote parts of the Australian outback. They took up the challenge to sell the book 'Our Day, in the Light of Prophecy and Providence', in the remote towns and stations of northern Western Australia.

Nevill and Greg took three months to reach Darwin, selling many books as they travelled. It was while they were in Darwin, that they decided to return to Perth via the east coast and so Bubsie became the first car to travel right around Australia!

The celebration of this achievement commences February 22, 2025, when Bubsie will start from the Incredible Journey office and make its way to Perth. This will take four months as we visit 100 towns and churches on the way. From Perth, Bubsie will be taken Right Around Australia visiting a further 170 towns and churches before returning to the Incredible Journey office in January 2026.

As each town and church is visited, we wish to have the opportunity to tell of the challenges that Nevill and Greg faced, such as driving where there were no roads, and what it was that kept them motivated to complete this epic journey. These local events will include visits to schools, shopping centres, vintage

**In 1925, a small Citroën made history by being the first car to travel right around Australia, and in 2025 The Incredible Journey will commemorate the circuit**

car club rallies and displays, family fun days in the local park, gatherings in a local church or hall, or a display at your food pantry or health check event.

The Signs Publishing Company has just completed a magazine-style booklet called 'The Overlander'. It is a 64-page full colour booklet that contains the pictures that were taken on the original journey. This magazine has been especially compiled to be given away to those who come to view Bubsie at your local church-sponsored event. Supplies of this booklet can be ordered from the Signs Publishing Company, visit [literatureministry.info/the-overlander](http://literatureministry.info/the-overlander)

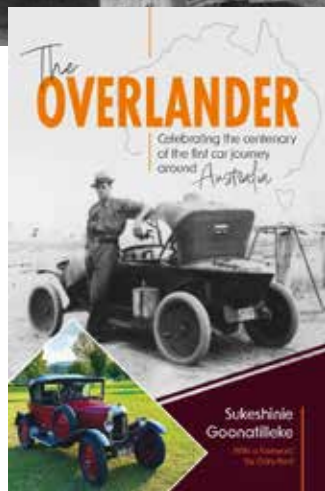

Evangelism was the priority for Nevill and Greg as they visited each town and homestead on their original journey, so too the 2025 journey will emphasise this mission. Plans are being put in place to have Evangelism Outreach events in each major city on the RAA route!

To help promote the 2025 Right Around Australia adventure, filming has commenced re-enacting some of the memorable events, including traveling down remote roads and into places where there were no roads or tracks at all, trouble with punctured tyres and broken cogs in the gear box. The filming will also show the delight of the evangelists when they were able to sell the book 'Our Day,' and experience the appreciation of its buyers.

The planned route of the 2025 journey can be viewed on the website and if you wish to take part in an event or donate towards this trip you can see the details online at [tij.tv/raa-route-plan](http://tij.tv/raa-route-plan) or scan the QR code.

The journey of Nevill and Greg was a journey of faith. The Right Around Australia event of 2025 will also be a journey of faith as we put our trust in God and share His providences.

One of our volunteers, Michelle Ward, was gracious enough to put together twelve short stories of Nevill Westwood and Bubsie's adventures taken from his journal. These were then passed onto Faith FM, who turned them into radio pieces that will be aired on Faith FM throughout the year. We have also uploaded these to the Right Around Australia website and our YouTube channel.

Jerusalem is home to the world's greatest concentration of religious sites, sacred to Jews, Christians, and Muslims alike. Despite its fortifications, Jerusalem has faced numerous attacks and destructions, the most devastating being the destruction of the city and its temple by the Roman forces. This dark chapter, foretold in the Bible by Jesus through seven chilling predictions, serves as a powerful reminder of lost opportunities and a message that resonates even today. In this new program Gary explores the city's tragic past and the enduring lessons it offers for us today.

We recently aired a new program called "Dinosaurs and the Bible" looking at the Biblical view of when they were created, what happened to them and if they are mentioned in the Bible. It was a great hit with people of all generations as it explored these most extraordinary creatures and their ancient world, uncovering some of the mysteries of their extinction through their fossil remains.
